# Oracle ERP Cloud Services

## Certified healthcare experts with IT and operations experience

Impact Advisors is a top-rated provider within the Oracle Partner Network – and the only one focused exclusively on healthcare. Our certified consultants possess an average of 15 years of ERP and healthcare IT implementation experience, as well as extensive operational knowledge. We understand what healthcare organizations need from their Oracle ERP Cloud system, and we deliver.

We offer:

- **Business transformation** and **margin improvement**
- Extensive **client-side ERP experience** (over 40 ERP clients)
- **ERP to EHR integration** expertise
- Strong **change management** services and support, tailored to your organization's needs and cultural practices
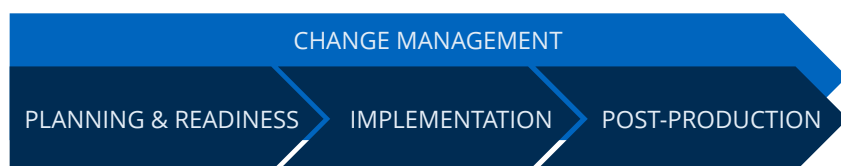

## Guaranteed achievement of your goals

We work closely with you to ensure your success in achieving key goals:

- HR, Finance and Supply Chain optimization
- Improved reporting, dashboards, data analytics, and data quality
- Best practice automation of workflows
- Improved data access and timeliness
- Self-service abilities for employees and managers

## Expertise delivered throughout your Oracle ERP Cloud journey

We support the Oracle ERP Cloud installation process end-to-end, from project planning and readiness assessments to deployment and post-production services.

**CHANGE MANAGEMENT**

PLANNING & READINESS → IMPLEMENTATION → POST-PRODUCTION
