

How We Partner

A partnership with Impact Advisors will feel different than those you have with any other consulting firm. But don't take our word for it. If you review the comments on KLASResearch.com, you'll find that many of our clients use similar words to describe their experience.

What do our clients say they appreciate most about Impact Advisors?

Experience

Our Relationship with Epic

Acting as one team with one goal: YOUR success.

- **Impact Advisors' thorough understanding of Epic sets us apart from competitors.** We adhere to the Epic methodology and toolkit and enhance them with our own.
- **Impact Advisors works closely with Epic, evolving our approach with their product and capabilities,** providing you with complementary tools that maximize your organization's use of and value from the system.
- **We participate in the new Epic Rev Cyclers Program.** This powerful collaboration helps our mutual customers maximize their revenue cycle performance through optimization of Epic's software.
